

Advanced Assessments and Training (Pty) Ltd

Accredited Learnership Qualifications List 2020

Advanced Assessments and Training proudly offers a broad selection of work-based training qualifications to choose from. The college is accredited with various SETAs with ServiceSETA as primary SETA. With regional hubs across the country, we service our clients from offices situated in the metropolitan hubs of Johannesburg, Durban and Cape Town. As an alternative to class-room based facilitation, we also offer clients the option of distance learning.

Below is a breakdown of the complete list of Learnership qualifications offered per SETA:
